WHAT WE OFFER

Lakeshore Community Services

Nearly 40 million Americans live with a disability. At Lakeshore Community Services we hope to improve the ability of the persons with disabilities to live independently through the learning skills and use of services that promote each individual's personal worth.

Our Program Provides:

- Well-trained staff offering personalized care 24/7 creating opportunities for individuals to live life in their own home and stay connected to their community.
- Transportation to work or day program as well as outings in the community and home visits.
- Community Participation Support which is offered to individuals who do not wish to participate in other vocational settings.
- Staff that assist individuals working on social, emotional and daily living skills in homes connected to the local community.
- Individual Support Plan is documentation that will allow change as the individual needs change. We are committed to listening to individuals and their families regarding their likes, dislikes, interests and preferences and will meet individual needs and choices through imagination and partnership.
- Developing and maintaining open and honest communication with people, families, employees and all persons involved.

ABOUT US

Lakeshore Community Services of Ridgway, PA has its roots in quality care for individuals with intellectual disabilities in settings well-integrated in the local community. In a Lakeshore Community Services home, an individual can expect a program that protects their dignity and health while affording the opportunity to develop new and fulfilling relationships.

Our staff focus on an individual's unique qualities and dreams as they assist each individual. This helps to build competence and develop relationships in the community. We proudly serve men and women of all ages.
